Project [REDACTED]

REFERENCE: Your memo dated 22 April 1953, same subject

1. The Office of Training is willing, within its capability, to provide assistance to subject project as expressed in reference memorandum. [REDACTED]

25X1C4a

2. In connection with participation in the project by OTR, it is requested that the following provisions be observed:

a. The personnel must be subject to recall for their primary duties in the event of a development urgently requiring their services.

b. To avoid conflict with other duties, the trials should be commenced as soon as possible and should proceed as expeditiously as practicable.

c. The enclosure hereto lists equipment required for the trials. OTR will provide that currently on hand; the remainder should be provided by TSS.

d. TSS will defray travel and per diem expenses incurred by the men. In establishing an equitable per diem arrangement it should be noted that the men, because
